

**"A FILM OF GREAT COURAGE AND
OVERWHELMING EMOTIONAL POWER.
A FIERCELY LOVING EMBRACE OF LIFE."**

— NEWSWEEK, Jack Kroll

**"BEST PICTURE OF THE
YEAR"** — N. Y. FILM CRITICS

"★★★★! An emotionally stirring movie that demonstrates real originality. Cimino emerges as one of the most exciting directing talents of the decade."

— N. Y. DAILY NEWS, Kathleen Carroll

"So real, you can feel it in your bones. DeNiro has accomplished an amazing characterization and the others make you see a world you've never known. Director Cimino has made a picture that resounds and echoes with a true American voice."

— N. Y. POST, Archer Winsten

"The Deer Hunter' has qualities that we almost never see any more—range and power and breadth of experience. What really counts is authenticity, which this movie has by the ton...An epic."

— NEW YORK, David Denby

"I hope that this blockbuster of a film wins the Academy Award for Best Picture of 1978. It fully deserves it."

— AFTER DARK, Norma McLain Stoop

"An extremely ambitious and important film on a crucial theme. It demands to be measured against the classic uses of the screen to illustrate the way we live and die...A savagely strong piece of filmmaking, it is an earnest, serious and impressive work. 'The Deer Hunter' joins a thin company that aspire to greatness."

— LOS ANGELES TIMES, Charles Champlin

"The Deer Hunter' is the great American movie of 1978. It reaffirms that Robert De Niro is one of the finest actors of our day and it catapults Michael Cimino into the front ranks of our best young directors."

— HOLLYWOOD REPORTER, Arthur Knight

"An extraordinary new film — a shattering experience. 'The Deer Hunter' has affected me more profoundly than any film I have seen in years. From start to finish this three-hour film is made with consummate skill. Cimino joins his contemporaries Coppola and Scorsese as a major force in American filmmaking. Robert De Niro is superb. The most suspenseful, terrifying sequence of men at war ever committed to celluloid. The images are worthy of Goya. Even now Cimino may not realize that he has made the greatest anti-war movie since 'Grand Illusion.' It's thrilling to see ensemble playing of this quality in an American film. John Savage gives an electrifying performance. He captures naked, animal fear with more shocking intensity than I have ever seen on the screen."

— NEW WEST, Stephen Farber

"The Deer Hunter' places director Michael Cimino right at the center of film culture. The film dares to say that things have come down to life versus death, and it's time someone said this big and strong without fear."

— NEWSWEEK, Jack Kroll

ROBERT DE NIRO A MICHAEL CIMINO FILM
