## Lane County housing program shifts location

Lane County's Housing Counseling Program is operating out of new offices at 177 Day Rd. in Eugene, near the entrance to Alton Baker Park. The program, which is part of the Department of Housing and Community Development, previously had offices at 170 East 11th St. in Eugene.

The Housing Counseling Program offers a variety of services to assist low income people in finding adequate housing in the area. These services include information and counseling on landlord tenant laws, informa-

tion on tenant and landlord responsibilities, concern for the special needs of handicapped persons and senior citizens, rental housing referral, home buying and financing and related housing and social services.

Listing on available rental units are updated daily and contain information such as size of units, costs, restrictions on pets and children, and the date available for occupancy.

For additional information contact Jay Montgomery, Lane County Housing Counseling Program, 687-3922.

## Drop-in and leave the kids at the Y

The YMCA Drop-in Child Care program for children from 6-months to 5-years old has reopened at the Eugene Family YMCA.

The service is available to Y members and non-members who are participating in YMCA activities. It is designed to be a drop-in program, not a lengthy or all day baby-sitting service.

The hourly rates are 75 cents for one child and 25 cents for the second child. For more information call the Y at 686-9622 or stop by the front desk at 2055 Patterson St.
