Performance Series
Cassette Tapes

The Performance Series low noise, high output blank cassette is ideally suited for music or voice recording, especially on portable recorders. BASF Performance Series ensures enhanced accuracy of sound reproduction, reduced background noise, and a dynamic range far superior to other standard ferric oxide tapes.

For every
TDK D Cassette
you buy, we'll give
you another at
HALF PRICE.

Half the music on every second TDK D cassette you buy is free. Since TDK D is the most reliable cassette in its economically-priced class, we think that's quite an offer. TDK D cassettes don't jam. They don't hassle you with distortion and dropouts. TDK D does capture virtually the entire sound spectrum, and gives your music back to you better than many tapes that cost more. At these prices, there's simply no better tape available. We're making it easy for you to stock up on TDK D now. We know you'll never run out of music.
