

We've opened a 30,000 story building on West Broadway.

We're B. Dalton Bookseller.

We've packed all 30,000 stories into our new store on West Broadway in Eugene. Mystery stories. Children's stories. Reference books. Travel guides. And more. At the brand new B. Dalton Bookseller.

Come see for yourself at our Grand Opening Celebration. You'll find B. Dalton has a lot of interesting stories to tell:

Our feature story. Our new West Broadway store will feature 30,000 books. So you know you'll find the book you're looking for. In fact, B. Dalton features only books. We don't sell posters, buttons, games or doodads. Because we've devoted all our space to having the books you want to read.

A science story. We're going to keep tabs on what you're reading, too. With our unique

computer system, we can monitor every book on a day-to-day basis. So we know when and what to reorder. And we can beef up on the categories you're really interested in.

Our human interest story. B. Dalton is staffed with people knowledgeable about books and interested in helping you. So if you have trouble finding any book, just ask. We can also special order any book in print for you, including medical and technical books.

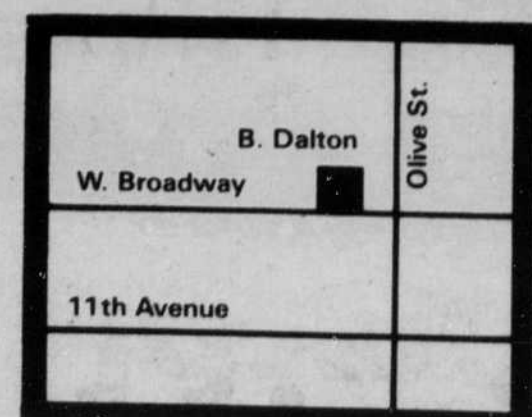

We also gift wrap free of charge and mail books anywhere in the U.S.

Stop in for your free gift.

The first 1000 B. Dalton book buyers will receive a copy of one of the following books: *The Honey is Bitter*, a Harlequin romance by Violet Winspear, 500 copies available; *Out*, the international suspense thriller by Pierre Rey, 500 copies available.

Come to the Grand Opening and see our 30,000 story bookstore.
