Celebrate the Rebirth of Spring

Beginning in April, La Primavera opens Botticelli's Lounge, upstairs, for lunch, early dinner, and after dinner entertainment...
Take a relaxing break in your busy day for a buffet lunch, served from 11:30 to 2:30 every weekday. The price? \$3.95. Or enjoy a casually elegant dining experience with an early dinner served from 4:00-7:00 p.m. every weekday. A fine repast for \$5.95.
Botticelli's Lounge brightens every night with live entertainment featuring some of the area's finest contemporary, classical, and jazz musicians. For a gratifying culinary and musical experience, celebrate spring at Botticelli's Lounge.
