Goodwill slates acre yard sale

Lane County Goodwill will clean out its closets this week with the annual One Acre Yard Sale. The sale will be held August 9 at 3885 Elmira Road from 7 a.m. to 1 p.m.

Director of Operations for Goodwill Industries of Lane County, Ken Sturdevant, explained that the main purpose of the sale is to relieve Goodwill of surplus items and to make the

annual building clean-up easier. Income from the sale will support Goodwill programs for the handicapped.

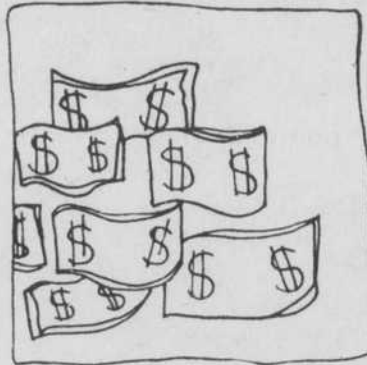

Sturdevant went on to say, "Last year Goodwill's Yard Sale resulted in sales of \$7000. Over 2000 persons attended our sale and at least 800 found a needed item to buy."

Major sale items will include antiques, yard and shop tools,

TV's, camping equipment, books, appliances, clothing, lumber, furniture, a small camper, piano, and "just about everything you would find at a Goodwill store."

Dealers, families and "window shoppers" are all welcome to attend the One Acre Yard Sale. Morning refreshments will be sold and delivery service will be available.

TURN YOUR BOOKS INTO CASH!

BOOK BUYBACK STARTS WEDNESDAY, AUGUST 6 AND ENDS FRIDAY, AUGUST 8.

Our Buyback Policy:

1. You get half-price—

if a faculty member has ordered the book for the next quarter. However, at times we have more books for a class than needed and we will not buy these books at the half price.

2. You get Dealer prices—

for those texts not needed on this campus. We'll pay the price offered by book dealers, which is based on the need for the book in the national market.

3. We do not accept—

old editions, spiral-bound books, programmed texts, certain inexpensive paperbacks, workbooks, most consignment material, and extensively cribbed or damaged books. They are of no value to us or the used book dealers. We purchase such books only at our option.

When to sell your books—

The buyback counter, located upstairs, is open during regular business hours. It's not necessary to wait for a specific buying period to resell your books. However, the best service can be had during the above time period because we have arranged with the wholesale book company to have their buyers at the Bookstore on these dates.

Switchboard seeks help

The Eugene Switchboard, Lane County's oldest information and referral service, will begin its next volunteer training program, Wednesday, August 13.

Volunteers at Switchboard assist all kinds of people with a wide range of needs, and help them connect with organizations, agencies and other resources in Lane County.

In addition to putting people in touch with social services, volunteers help people find

housing, lost pets, rides to all areas of the country, jobs, and information on local events. The volunteer training program is designed to enhance each person's problem-solving and communications skills, while acquainting them with local problems and services.

Volunteers have enabled Switchboard to remain a functioning, growing entity for the last ten years. If you'd like to get involved, call Wade Powell or Mary Keenan at 686-8453.
