

ANNUAL DARKROOM... SALE!

BESELER

Now you can have famed Beseler quality at a very affordable price! And the new Beseler 67CP enlarger is also the most compact Beseler ever... Ideal for advanced darkroom workers with limited space tool.

67CP \$159⁹⁵
with negative carrier, lens board & lens.

67CP Color \$239⁹⁵
with negative carrier, lens board & lens.

67C \$179⁹⁵
Reg. \$209.95

23CII \$229⁹⁵
Reg. \$274⁹⁵

Outperforms enlargers twice its price. Here's why: Oversized 5 1/2" condensers provide even illumination, cone-of-light design yields optimum coverage of all negs 8mm to 2 1/4"x3 3/4" without changing condensers. Super-fast printing speed. Optional 200-watt, 0 to 180 dichroic colorhead. Double-post cantilever construction for rock-like stability. Tilting lens stage. Horizontal projection.
