Billy Wilder's The Private Life of Sherlock Holmes

You can count on Billy Wilder to create a Sherlock Holmes unlike any other you have ever seen. This is a very human Holmes, subject to feminine temptation and weary of Dr. Watson's written sensationalism of his cases. PRIVATE LIFE combines wit and suspense as Holmes takes on a vital case for the British government.

LA CAGE AUX FOLLES

This hilarious film is the greatest drag comedy since SOME LIKE IT HOT. LA CAGE AUX FOLLES is the name of a transvestite nightclub run by a pair of aging homosexuals, one of whom has a son. The son, who was raised by the unorthodox couple, is eager to marry. But his fiancée's father is the chief of the Department of Morals and is not likely to approve of his new in-laws. Eager to help the young lover, the boy's "parents" make a valiant attempt to curb their outrageous life style by trying to appear "normal" and "respectable." The results are unforgettably comic. There are scenes of such hilarity that Chaplin and the Marx Brothers come to mind.
