Let the ODE blatantly interfere in your internal affairs.

We speak Telex.

Your family in Tokyo or Tripoli is as close as Mill Street in Eugene.

Contact friends or family in another country quickly, using the Telex/TWX system at Business Word Processing in Eugene.

Whether it's Paris or Paraguay or Pakistan you need to reach, we have an international Telex system to meet your needs. It's less expensive, you don't have to worry about waking up the person on the other end, and your words arrive on paper so there's less chance of misunderstanding.

At Business Word Processing, we also offer word processing terminal timesharing and a disk storage resume service. And we're Graduate School Approved for theses and dissertations.

GYROS

(pronounced YEAR-OS)

Food fun for everyone

GYROS is a lean blend of specially selected meats. It is lightly seasoned and cooked to sear the outside so that the juice and flavor are sealed inside. The meat is cooked to order on the KRONOMATIC® broiler which gives it that "Charcoal-Like" flavor. Served as a sandwich with Pita bread, and fresh tomatoes, onions and special sauce.
