

Charging Out Books

Materials from the Reserve/Current Periodicals Section should be charged out at the Reserve/Current Periodicals Desk. Materials from the rest of the Library should be charged out at the Circulation Desk. Remember—students need to show their student I.D. card and a current validated certificate of registration (the computer "fee" card) to charge out any Library materials. Faculty and staff members must present their identification cards. Other library users must present a Town Patron library card.

The Catalog Information Service Desk has been absorbed by the Reference Department, whose staff will now answer your questions about the use of the catalogs.
