## Book bucks brought in

The University Women's Club has raised more than \$2,500 for the University Library through its Sponsor Your Books program, says organization Pres. Margo Ramsing.

The club recently gave a book on advanced mathematics — J.S. Milne's "Etale Cohomology" — to the Library in honor of acting Pres. Paul

Olum who is a mathematician.

The University Women's Club, the University Foundation and the Library initiated the program in the fall of 1979 to help the Library deal with the rising cost of books.

In January, the University Mothers' Club gave \$150 for the book program.
