

EMU CULTURAL FORUM  
presents

**THE TIN DRUM**

Director Volker Schlöndorff's superb adaptation of Gunter Grass's celebrated novel won 1979 Academy Award as Best Foreign Film and shared the Grand Prize at Cannes with APOCALYPSE NOW (which we will show spring term). A brilliantly imaginative allegory, it is the story of Oskar, a young Polish boy of extraordinary will, confused and terrified by the adult world of sex, violence and Hitler rising Nazism, he refuses to grow after the age of 3. But Oskar's mind & emotions continue to develop inside his stunted body and he shrewdly observes the world around him. Schlöndorff's masterful direction perfectly illuminates Grass's frighteningly realistic & darkly absurd world in this stunning example of New German Cinema. SUBTITLES.
