You Can Still Make A Difference

While careers in public service may not be as fashionable
as they were a decade ago, such careers can be very
rewarding and personally satisfying.

After just three months of intensive training at The Institute
for Paralegal Training, you will be prepared to work in govern-
ment agencies, public service organizations and law firms as
a Legal Assistant in the fields of Administrative and Public
Law or Criminal Law. You will do work traditionally performed
by attorneys. You will work in the dynamic field of govern-
ment legislation and regulation and be involved in such areas
as: Environmental Law, Food Drug and Health Law, Criminal
Justice, Equal Opportunity, Welfare, Energy, and Product
Safety Law.

Furthermore, you will earn graduate credit towards a
Master of Arts in Legal Studies through Antioch School of
Law for all course work completed at The Institute.

We are the nation's first and most respected school for
paralegal training, and since 1970, have trained more than
4,000 college graduates from across the country.
