

Fraternities to act as escorts

The University's fraternities are offering an escort service for women walking in the campus area.

The service began Sunday and will continue through spring quarter. Two fraternities will assume the escort duties each week.

This week's escorts will be provided by Phi Gamma Delta at 485-9051 or ext. 3244 and Sigma Chi at 485-9309 or ext. 5293.

The escorts will be available most hours and will go most places in the campus area, says Interfraternity Council Pres.

Mark Hallquist. However, he says it will be left up to the discretion of the individual houses to determine if a request for an escort is unreasonable.

But "we didn't want to have it full of rules because it would ruin the service," he adds.

The council tried to start an escort service after a University woman was raped in Adams Residence Hall during winter quarter, but Hallquist says it was too late in the quarter for the service to be effective.

However, it's more important to operate the service during

spring quarter because more people walk in the spring, he says.

After Saturday, the schedule for escorts will be:

April 5-11, Beta Theta Pi at 485-9854 or ext. 5179 and Phi Gamma Delta at 485-9836 or ext. 3466.

April 12-18, Kappa Sigma at 485-9892 or ext. 5288 and Theta Chi at 485-9825 or ext. 4081.

April 19-25, Pi Kappa Phi at 485-9930 or ext. 3498 and Sigma Alpha Epsilon at 485-9080 or ext. 5290.

April 26-May 2, Phi Kappa Psi at 485-9454 or ext. 5276 and Pi Kappa Alpha at 485-9455 or ext. 5274.

May 3-9, Sigma Phi Epsilon at 485-9639 or ext. 5183 and Alpha Tau Omega at ext. 4791.

May 10-16, Chi Psi at 485-9682 and Phi Delta Theta at ext. 5170.

May 17-23, Sigma Nu at 485-9051 or ext. 3244 and Delta Tau Delta at 485-9458 or ext. 3876.

May 24-30, Phi Kappa Psi at 485-9454 or ext. 5276 and Sigma Nu at 485-9080 or ext. 3466.

May 31-June 6, Sigma Phi Epsilon at 485-9639 or ext. 5183 and Sigma Chi at 485-9309 or ext. 5293.

Meeting slated to discuss transient problem in park

Harassment and threats against some area residents by transients staying at the West University Area Neighborhood Park on 14th Avenue near Patterson have increased, and neighbors now are trying to do something about it.

A meeting to discuss just what can be done to stop harassment by transients will be held at 5 p.m. today at the park, according to Pam Ford, of the West University Neighborhood As-

sociation.

A Eugene police officer will be on hand to discuss the problem with interested neighbors.

Ford says harassment and threats by transients increased dramatically last weekend. At least one neighbor had her life threatened by a transient, Ford says.

Neighbors interested in curtailing the harassment problem are encouraged to attend the meeting.
