## Art expert will discuss preservation

An expert in the study of Chinese bronze technology will lecture on the production, patination and preservation of Chinese bronze Wednesday, April 8.

W.T. Chase's lecture, illustrated with slides, will take place at 7:30 p.m. in Room 107 Lawrence Hall. It will concern the historical development of bronze casting techniques up to the Han Dynasty of the early third century. Chase will discuss the physical deterioration of artifacts, and fakes and forgeries.
