Why is information the most important commodity of the eighties?

How can we find solutions to our world media communication problems?

To help you find the answers

SHERILYN F. Last term was long and lonely
without you here, but you came back just like
the "dream." For some reason things have
been going great ever since. The tapping and
Barn Dance, an "Anniversary Road Trip,"
Spring break at the beach with a mounted
police. Then back to school but just to register,
then off to the beach again. Regan, Brady and
fat lady all in the same day. Finally we got to
Jackie's and listened to the rain. Hope you liked
the Chinese dinner, coffee and cream, cham-
pagne bubbles and candlelight! A trip down the
sunny coast, Sea Lion Caves, (a good place for
a stick up,) and "lunch" behind the sand
dunes. I almost forgot the lobster dinner, better
than before. These are definitely "THE BEST
OF TIMES" Love ya Babe, Little Widget. PS.
Believe it! 4-7

THE LIFE AND

TIMES OF ROSIE

THE RIVETER

Director Connie Field's highly acclaimed film.
"Rosie the Riveter," symbol of working women
in WWII, touches on 3 decades - a moving
reconstruction of the brief career and sudden
eclipse of "Rosie" told by five women who
recall their histories through rare film and
music.
