Poignant and often irreverently funny, **Word Is Out** shatters medieval notions of gayness. The most intelligent cinematic look to date, **Word Is Out** is a highly entertaining and absorbing movie.

Sunday, Bloody Sunday is a curious sort plea on behalf of human frailty- a film not about the valiant or mighty among the human race, but about the necessity, even the beauty, of coping with one's existence as one finds it. 195:4-15
