ANANDA MARGA SOCIETY
presents

2001: A Space Odyssey

This epic science fiction drama truly
altered the direction of American
filmmaking. Director Stanley Kubrick
outlines humanity's inability to cope with
the unknown from the origin of civilization
through a future age in which they
are controlled by computers.

REFRESHER COURSE.

You've burned the midnight oil and cracked
more books than you care to remember. The
work is done. The papers are in. So now
you take a refresher course. The subject: ice
cold Dos Equis beer. The Uncommon Import.
Study a frosty glass. You'll learn it has a

rich, amber color unlike any beer. Now test
that big, bold flavor. You've got to admit,
Dos Equis is in a class all by itself.
