A brief appearance by Eric Clapton and Jeff Beck in their front-running band The Yardbirds is musical icing on a

color coated cake.

Blow Up is the second part of a double feature with the Academy award-winning pic-

ture *Citizen Kane*. Showtimes are 7:30 and 9:30, April 30 through May 6, Sunday matinee 3:00 and 5:00.

So! You noticed that this a mere four-pager. What can I say? Cindy and I got to go home early for once. Thanks go out to Cynthia, of course, Hanson; Sheri for her avid curiosity; the 'Co' for the spray; Steve for his smile; and to the weather because it's absolutely gorgeous outside, and I just hope it lasts. Toodles... don't forget to get your stuff in my staff-box by Thursday a week before the *TR* hits the stands. It's great being here. Cough, *Ahrzshi* (a new variation)
