

# Co-op holds open house today

Members of the Students Cooperative Association will hold an open house today at their new cooperative at 1790 Alder St.

The association also owns the Campbell Club co-op and purchased the new \$175,000 house last month.

The new house has several spaces left for summer term. Room and board rates for a single room are \$400 for the eight-week summer session and \$510 for the 11-week session. The room and board rates for a double room are \$325 for eight weeks and \$405 for 11 weeks.

A major part of the financing for the house came from the National Consumer Cooperative Bank. Also, the West University Neighbors' Neighborhood Advisory Group has approved \$12,500 to \$25,000 in Community Development Funds to help the association.
