

Frisbee event battles cancer

Frisbee fanatics can show off their abilities and help battle cancer at the same time during the July 4 Flying Disk Fair, on the University campus.

To help raise money for cancer research, the American Cancer Society is sponsoring three Frisbee contests and providing prizes for the winners of each event.

In addition to contest prizes a grand prize — a pair of 1981 season tickets to the Eugene Emeralds home baseball games — will go to the entrant who

gathers the most contributions.

The three scheduled contests will judge distance, accuracy and duration.

In the distance competition entrants will be allowed three throws — judges will count only the longest throw. Accuracy competitors will be aiming for a target with a three-ring bull's-eye. Judges will determine the winner based on the accumulated scores.

The winners of the last contest, the marathon, will be the two entrants who catch the Frisbee the most consecutive

times from 15 yards apart.

Prizes will be awarded to the top three scorers in each contest in four age categories: ages 4 to 7; ages 8 to 13; ages 14 to 18, and ages 19 and up.

Entry forms for the competition are available from KUGN's offices, the American Cancer Society office at 1625 Oak St., area sports shops and other local merchants.

Entry forms also can be picked up the day of the event. The contests start at 1 p.m. at Hayward Field.

BIJOU DELUXE

Friendly notice/gentle reminder/self-serving hype from Tall Chatham, Jr. and Michael Lamont:
The new 35mm projection equipment is on line - our image is the best in town. The new screen (July 1) is awesome. The movies are great! The popcorn is fresh, hot and delicious. Admission is \$2.50 - equals \$1.25 for each half of double feature (less expensive than films on campus and even cheaper on Monday! So now there is a definite alternative to the cavernous Oakway, the womb-like Cinema 7, and the often inadequate film screenings on campus. See you at the Bijou!! Lamont. 758-tfn
