## Football ticket sales soar

Regular season ticket totals for University football games have already set a record and overall sales (including faculty and family tickets) continue to climb toward the all-time record set two years ago.

As of last Tuesday, 9,163 regular season tickets had been sold, compared to the record of 8,783 set in 1979. Last year, when a total of 8,692 tickets were sold, the count was at 6,253 on July 21, putting this year's figure almost 3,000 ahead of that pace.

The total figure, which includes faculty tickets and family plan general admission (which

includes admittance for two adults and three children to four of Oregon's six home games) stands now at 10,404. The record is 10,404.

"Our goal is still 15,000," says Herb Yamanaka, University assistant athletic director. "Sales are going well right now, but we expect the big push to come after our first game."

Oregon opens the season with two games on the road,

Sept. 5 at Fresno State and Sept. 12 at Kansas. The first home game is Sept. 19.

"Two years ago, after we beat Colorado (on the road to open the season), we sold about 4,000 more season tickets. I can see the same thing happening this year."

Season tickets for the six home games are \$55 for reserved seats and \$40 for the family plan.

## Chapa wins grant

Former University track star Rudy Chapa has been awarded a \$2,000 post-graduate scholarship by the NCAA Post-Graduate Scholarship Committee. Scholarships are awarded in football, basketball, and "other sports" in Divisions 1, 2 and 3. Six Division 1 "other sports" awards were given out.

"It has been a real pleasure for me to work with Rudy over the past few years," said Oregon track coach Bill

Dellinger. "I have seen him grow not only athletically, but as a person and a student. No one has worked harder at his studies and deserves this award more."

Chapa is a former NCAA champion in the 5,000 meters and is a three-time track and cross country all-American. He won two Pac-10 1,500 meter titles. Chapa, who graduated last June in business management, plans to attend Indiana law school.
