

You're constantly moving ahead, facing new challenges in your career or on campus. A busy way of life means changes, and Place Two is keeping pace with you. Now, better than ever, we've broadened our fashion selection to cater to your needs, with the looks to suit your moods and lifestyles. Place Two has it all, for both of you. The wardrobe builders:

the traditional classics and the new pieces destined to become classics. The styles: from men's tailored clothing to women's casual separates. The fabrics: from wool herringbone and camel's hair to flowing georgette and silk. The colors: from full cut blazer plaids to pretty pastels. The combination for success this fall: you and Place Two. Valley River Center.
