Service within Springfield has been greatly improved, featuring better access to the Mohawk shopping area, more buses traveling by 5th and Q (Fred Meyer), new service past the Centennial Shopping Center and direct service from the senior citizen community on Quinalt to Willamalane Senior Center. With local routes connecting sites within Springfield, the route along Centennial between Eugene and the Mohawk shopping area has been streamlined to make travel time much more competitive with the automobile. In general, routes have more two-way service, cutting down travel times for many trips!

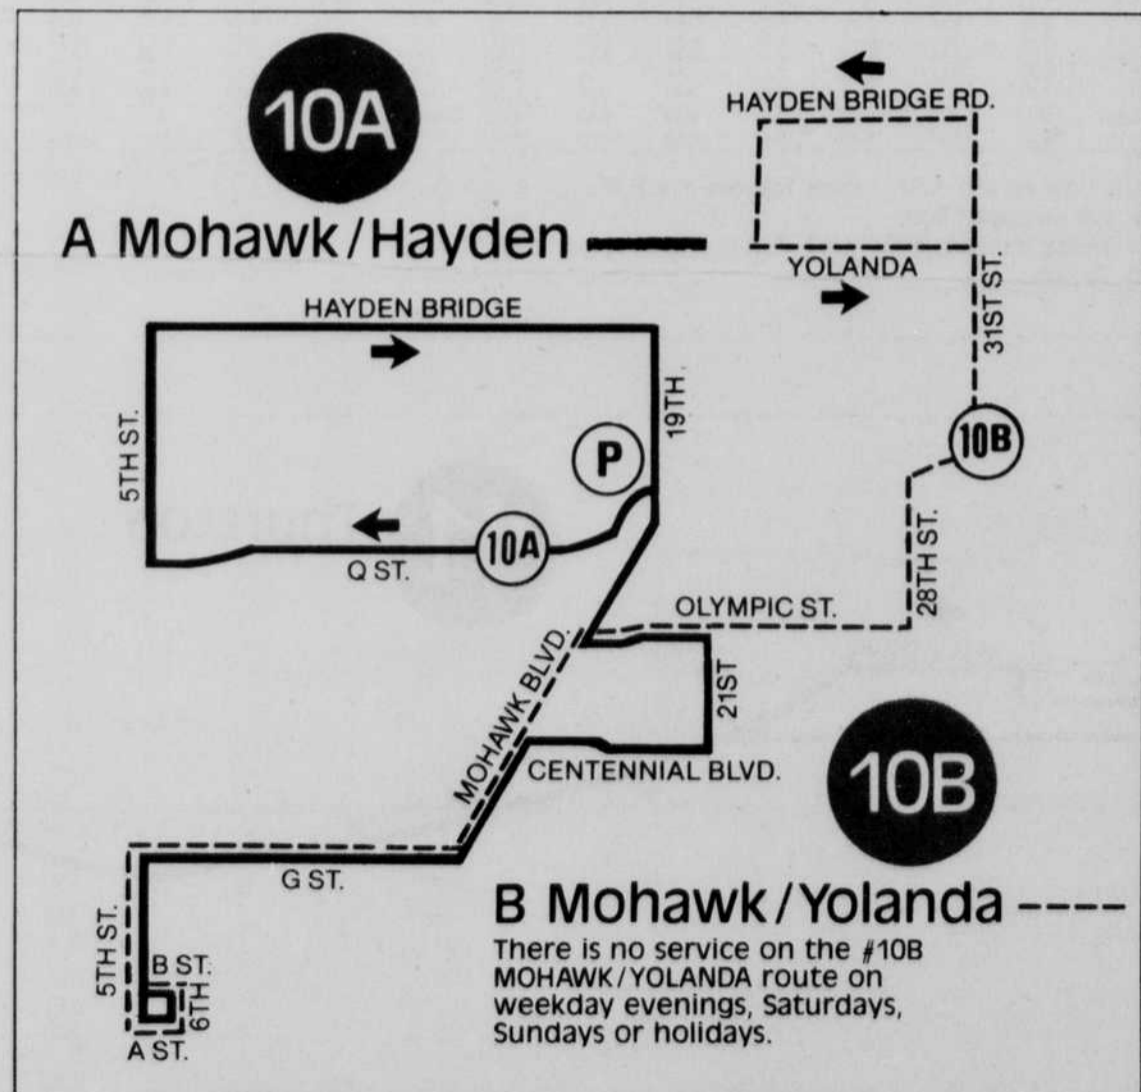

Daytime service to Weyerhaeuser is much more convenient, thanks to shuttles that run through the plant during shift times. Roughly 80% of the daytime employees live within three blocks of the route! (This route also provides connections for everyone between the Springfield Mall and Thurston.)

- Improved neighborhood circulation.
- Faster travel times to major destination points.
- New shuttle service for daytime Weyerhaeuser employees.
