

Huskies bite the Ducks

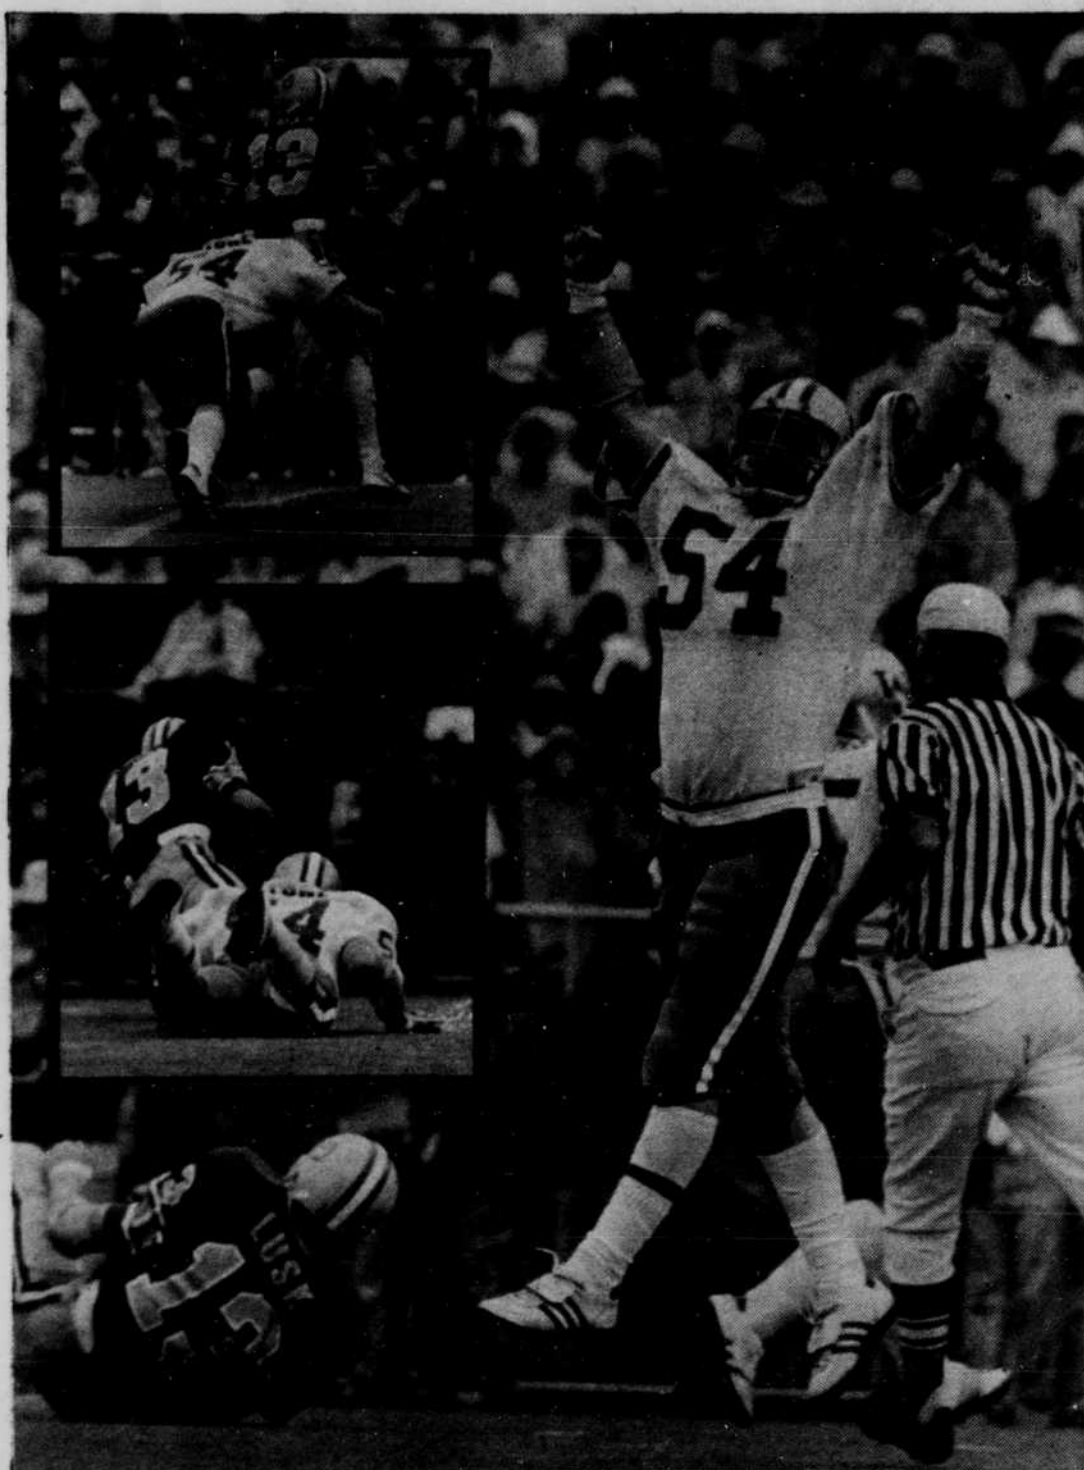

Photos by Bob Baker

The rain fell all Saturday afternoon when the Ducks and the Huskies collided. But that's not all that fell.

At right, Kevin Lusk was felled by UW's Brian Stone — one of seven Husky sacks. Below, Harry Billups falls short on a crucial fourth and one situation in the third quarter. Left, head coach Rich Brooks' face fell as he watched his team make countless mental mistakes.

Oh, and the Ducks fell too, 17-3.
