THE PRESIDENT'S ASSOCIATES

Every year thousands of University of Oregon alumni and friends make gifts to the institution through the University of Oregon Foundation. Its responsibility is to record, acknowledge, account for, and allocate those gifts in keeping with donors' wishes. These can include assistance for the University's professional schools, departments or programs, its faculty and students, or assistance of an unrestricted nature to build the Foundation's endowment fund or help meet exigencies that inevitably arise.

Major contributors to the University's needs and progress are recognized as PRESIDENT'S ASSOCIATES. They form the institution's premier support group through which a very special relationship with the University, its faculty and top administrators is fostered.

Among the privileges of membership are invitations to join the president for occasions of unusual interest, as well as preferred access to some of the institution's resources and facilities.

The base qualification for membership in the PRESIDENT'S ASSOCIATES is a gift or pledge of \$5,000, which may be payable over a period of five years and must be at least partially unrestricted. Restricted or unrestricted gifts valued at \$10,000 or over, in the form of real or personal property, or deferred gifts of \$25,000 or over, are further ways by which generous friends of the University may qualify. All such gifts are most gratefully received and utilized in conformity with donors' expressed intent.
