

CPA visits University

A Portland accountant will be a partner-in-residence this fall in the University accounting and quantitative methods department.

Gerald Hilbrich, managing partner of the Portland office of Peat, Marwick, Mitchell and Co., will be on campus Oct. 29-30 and Nov. 19-20.

During his residency, Hilbrich will observe and lecture to accounting classes, answer

student's questions and hold office hours. He will also meet with faculty and administrative officials to gain a better understanding of the University's accounting program.

The accounting department's partner-in-residence program aims to acquaint prominent members of the accounting profession with University faculty members, students and programs.
