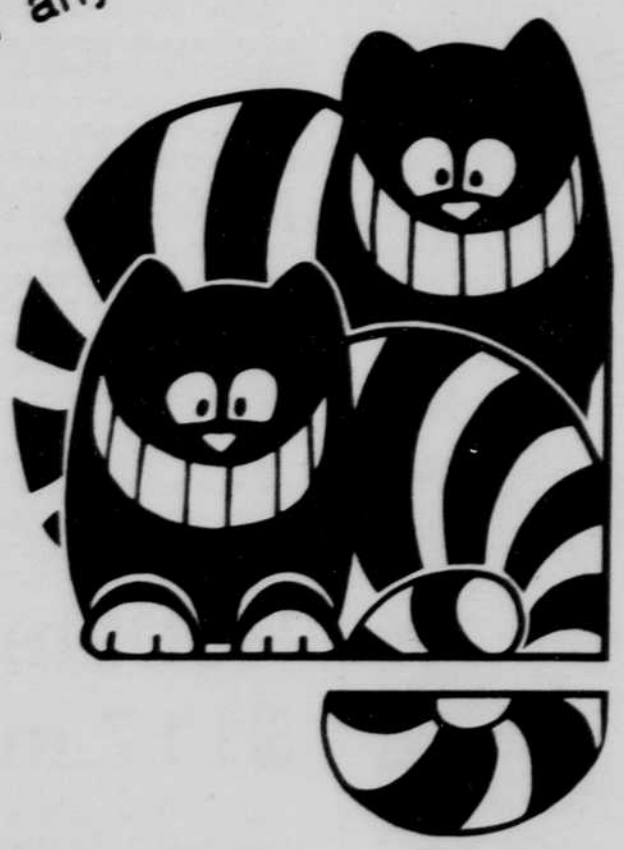
Free Extra Cheeeeeeese! on any pizza



The little known fact of the matter is that most pizza places don't use real cheese.
And that's all right if you're more concerned with cost than good taste.
At Domino's Pizza we use only the finest quality natural cheese.
You can always trust us to have the very best...
and that's something to smile about.

ty, Duke says the medical community would be selective, adding practicality and cost severely limit the number of parcels available for expansion. He added that fully expanded medical facilities, which include the hospital, account for 9 percent of the residential land.

Harold Lannom, past West University Neighbors president, says the group has no evidence supporting increased expansion in the neighborhood. Lannom shared Lesser's fear that medical expansion may reduce available rental units for students.

In addition, increased commercial development in the residential areas could create more automobile traffic problems, Lannom says, explaining that one plan objective was to make residential areas more accessible for bicycle and pedestrian traffic.
