FLU VACCINATION

Vaccinations for influenza will be given at the University Student Health Center every Wednesday, Thursday and Friday from 8:00 to 9:00 a.m., beginning on October 21st and continuing until the end of fall term.

Students may receive the vaccine at a cost of \$2.50 per injection.
Faculty and staff are charged \$3.50 per injection.

Persons who have never received flu vaccine and who are under the age of 28 years need two injections of vaccine four week apart. Persons over the age of 28 need only one injection. If persons received one injection of the 1978-79, 1979-80 or 1980-81 vaccine, they would need only one injection this year.

Annual flu immunizations are especially advised for people with an increased risk of complications from lower respiratory tract infections, including (1) Persons 65 years old and older (2) Persons of any age over five months with any of the following: heart disease, compromised lung functions, chronic kidney disease, diabetes, chronic severe anemia, and conditions which compromise immune mechanisms. For more information call the Student Health Center at 686-4441.
