From Associated Press reports

IRA bomb kills explosives expert

LONDON

A Scotland Yard explosives expert was killed Monday while trying to defuse a bomb planted by IRA guerrillas in a fast-food restaurant on London's crowded Oxford Street, police said.

Another bomb was discovered in a nearby department store and defused, police said. The Irish Republican Army issued a statement in Belfast claiming responsibility for the bombs.

The blast shattered the front of Wimpy's hamburger bar and caused panic among hundreds of people on the street, London's most popular shopping district.

Haitian refugees drown off coast

HILLSBORO INLET, Fla.

Thirty-three Haitian refugees drowned early Monday after their leaky, 25-foot wooden sailboat broke up in rough surf less than a half-mile from shore, the U.S. Coast Guard said. The 34 others aboard the boat survived.

It was the worst such accident since heavy influxes of Caribbean refugees began arriving by boat more than three years ago.

Petty Officer Daryl Gale said all the bodies washed ashore,

and a search by helicopters and boats was suspended shortly before noon.

"You come so close. Half of them made it, half of them didn't. It's so sad," said Dan Hynes, a police sergeant in this town 35 miles north of Miami.

The dead included 19 men and 14 women, including three who were pregnant. All were described as "young adults" by authorities at the Broward County morgue.

GOP senators seek tax increases

WASHINGTON

Senate Republicans intend to seek between \$50 billion and \$70 billion in tax increases over the next three years as part of their attempt to cut budget deficits by \$115 billion, sources said Monday.

The sources disclosed the tentative target as Senate Finance Chairman Bob Dole, R-Kan., confirmed that his panel would begin drafting a bill to raise taxes early next year.

Dole predicted that Congress would enact the increases, but he spelled out few details, and did not mention how much the committee's Republican majority hoped to raise with its legislation.

But sources have reported that administration and congressional officials have drawn up a lengthy list of options, including higher excise

taxes on alcohol, tobacco and gasoline, an import fee on crude oil and disallowing tax deductions on consumer debt interest, except for home mortgages and car loans.

Dole said he hoped hearings would start on the bill before Congress adjourns for the year.

Senate Republican Leader Howard Baker of Tennessee and others said, however, that most of the effect would be felt in the 1983 and 1984 fiscal years.
