AN EVENING WITH ALAN WATTS

Six short films made in the last five years of Watts life include "Buddhism: Man and Nature," "Flowing with the Tao" in which Watts explores the nature of reality as illustrated in the flowing forms of water, "Mood of Zen" (the basic teachings of Zen), "The Flow of Zen" (a talk that prepares the viewer for meditation), "Zen and Now," and "The Art of Meditation." These films were difficult to obtain and may not return. Take advantage of this special opportunity.
