

Announcing:

NEW SOLARNAILS by Creative Nail Design, are so thin, so durable, so naturally beautiful even a manicurist can be fooled. Dr. Stuard Nordstrom developed an organic polyester resin that is shaped with a brush resulting in beautiful nails that need not be covered with opaque polish. Each nail is thin & elegantly curved with a clear bed & white tip. There are no health hazards such as fungus, mildew or rashes. Best of all, Creative Nail Design products won't damage the natural nail. Available at:
