B & S
We plotted and thought and came up with a scheme. How to get these two lovelies to fit into our dream? Come on Ladies, surely you jest? Saturday night was only a test. This is not to say it wasn't fun-but to put it bluntly it was a dry run. on Wednesday night, our Hearts were last. The queen was missing, damn the cost. Calvin and Claiborne? There were but few. The sights were great; our dreams came true. Up the stairs we all retired. If Ben had found us, he would have expired. When the beer was gone, so was the night. We waved good-bye in the broad daylight. We'd like a re-run, what do you say? We'll play with you any old day. C & S
