## Athletes win awards

A Corvallis woman and a Eugene man are the first two recipients of Matthew P. Deady Presidential awards from the University.

Leann Warren and Alberto Salazar were picked for the recently inaugurated award program because, in the words of the citation accompanying the award, "through your extraordinary achievements you bring honor to yourself, to your state and to the University of Oregon."

Warren, who led the Oregon

women to a second-place finish at the NCAA cross country championship meet in late November, is expected to receive the award Dec. 9 during halftime of the Oregon-Athletes in Action basketball game at McArthur Court.

Salazar, a world-record holder in the marathon, received his framed award certificate during halftime of the Oregon-Oregon State "civil war" football game Nov. 21 at Autzen Stadium.

## FLU VACCINATION

Vaccinations for influenza will be given at the University Student Health Center every Wednesday, Thursday and Friday from 8:00 to 9:00 a.m., beginning on October 21st and continuing until the end of fall term.

Students may receive the vaccine at a cost of \$2.50 per injection. Faculty and staff are charged \$3.50 per injection.

Persons who have never received flu vaccine and who are under the age of 28 years need two injections of vaccine four weeks apart. Persons over the age of 28 need only one injection. If persons received one injection of the 1978-79, 1979-80 or 1980-81 vaccine, they would need only one injection this year.

Annual flu immunizations are especially advised for people with an increased risk of complications from lower respiratory tract infections, including (1) Persons 65 years old and older (2) Persons of any age over five months with any of the following: heart disease, compromised lung functions, chronic kidney disease, diabetes, chronic severe anemia, and conditions which compromise immune mechanisms. For more information call the Student Health Center at 686-4441.
