

11 Thurston

The response to the improved #11 THURSTON route has been tremendous! The ridership demand on this route has far exceeded our expectations. To further help our many patrons who travel from Eugene to Springfield, we are introducing the new #19 MAIN STREET via U of O route. This new connection

should particularly benefit those patrons who travel to or from the U of O/Sacred Heart Hospital area and Springfield.

More service has also been added to the #15 LCC/ASHLANE because of heavy ridership demands.

For your convenience, extra Sunday morning service has been added on most routes. Check your timetable.

Service has been deleted on the experimental #17 WEYERHAEUSER route due to low ridership.
