BEAU PERE
A sexy, sophisticated comedy from the director of the Academy-Award winning **Get Out Your Handkerchiefs:** Bertrand Blier. "A tender, entertaining work. Blier's considerable accomplishment is to make his own directorial motives appear almost as ingenious as those of the lovers. He tells the story very gently, with as much attention to the humor of the situation as to its eroticism." Janet Maslin, New York Times.

UNION CITY
Union City is a film noir with a difference. Taking classic elements of the 40s thriller is the story of Harlan, (Dennis Lipscomb, who thinks he's Bogart), bored wife Lillian (Blondie bombshell Deborah Harry who thinks she's Bacall), and Pat Benetar, and adds new wave sensibility about murder and passion. This first film by Mark Reichert has been praised for its "angular, shining, garrish look and loopy, lurid, ingenious plot."

POLYESTER
Just when you think it might be safe to breathe again, **John Waters'** (who else!) releases this pungent satire. A salacious soap opera of middle America run amuck. While not quite as vulgar as **Pink Flamingos** the Oderama technique provides for an exceedingly stinky experience of hilarious grossness. Be especially wary of scratch and sniff number 2, 6, and 9. **Peeyoo!** Starring **Devine** and **Tab Hunter** with Edith Massey (the egg lady), Mink Stole, Steve Bators, and others to smelly to mention.

CUFFY
Here I stand outside the infamous EMU Fishbowl with Simone La Sal waiting for me to expound original and sentimental (oh, you're sooooo sentimental!) thoughts for this special day of yours and for all to rad in Class Stop. Always a deadline it seems, what can I say? So, Carol, are we still doing it? Reality check - are we, huh, are we? Tell me we are: I don't tell you very often - but you are doing it and very well at that! And as a pal and comrade it's been shit not having time to share life's entertaining experiences with you and I miss you (with Susan Colket's inflections, of course!) Happy Birthday my love - let's celebrate! Love & kisses, **ANNIE** 2-2

MR. FUN (Jim) Here's to many groovy memories: the end of fall term - the Chi O barn dance, your 1st visit to me and we watched a James Bond movie, eating dinner at George's, studying together finals week and ending the week with wine and cheese... and then came winter term, from day on it's been the best term of my whole college career - our fun econ class (which I'm acing), going to Rennie's afterward, late nights at Howies with Spam too, N.D.A. and O.R.ing are my favorite past times with Dave and Jane (how "Dynamic"), fun functions, your barn dance (if you remember), Founders Day, studying (big time, of course) and so much more, but most of all spending everyday with you is the bestest, funnest time in the world. **LOVE, MRS. FUN (JULS)** 2-2

OH, CUFFY
I'm fresh out of clever conversation, I just can't work that hard. Get me to the VC on time. So many good times on the road to higher consciousness. You're a true inspiration, the best spit-sister I've ever had. Bon voyage to the twenties and on to the thirties... I can hardly wait to join you (maybe I'll understand life as well as you do). I love you tons and tons, as you get older and older. Happy 20th doll **BITS** 2-2
