Just when you think it might be safe to breathe again, **John Waters** (who else!) releases this pungent satire. A salacious soap opera of middle America run amuck. While not quite as vulgar as **Pink Flamingos** the Oderama technique provides for an exceedingly stinky experience of **hilarious grossness**. Be especially wary of scratch and sniff number 2, 6, and 9. **Peeyeyoo!** Starring **Devine** and **Tab Hunter** with Edith Massey (the egg lady), Mink Stole, Steve Batars, and others to smelly to mention.

Ornette Coleman: Everything he does is important.
VILLAGE VOICE
Right now, Ornette Coleman's ideas are more popular than he is. One can also hear echoes of Mr. Coleman's music in some of the new rock coming out of England.
ROBERT PALMER
Pop Music critic, NY TIMES
The history of jazz is replete with woe-filled tales of neglected genius. But the case of Ornette Coleman is the most baffling of them all.

BEAU PERE
A sexy, sophisticated comedy from the director of the Academy-Award winning **Get Out Your Handkerchiefs**: Bertrand Blier. "A tender, entertaining work. Blier's considerable accomplishment is to make his own directorial motives appear almost as ingenuous as those of the lovers. He tells the story very gently, with as much attention to the humor of the situation as to its eroticism." Janet Maslin, New York Times.
