

**Telex** date: 02 time: 21:00

Our informants tell us he'll be on  
the 5:35 express.

We know this much about him:  
he plays by his own rules; travels first  
class; enjoys beautiful women and  
Michelob beer.

He should be easy to recognize.  
So are you, Victor.

Don't give the game away.

Suggestion: Find the Michelob  
and you'll find the man.
