

EMU Board OK's proposed 82-83 budget

In a 6-2 vote, the EMU Board on Thursday approved a proposed 1982-83 budget recommendation of about \$1.1 million.

The original request included about \$11,500 more than what the Incidental Fee Committee had already allocated to the EMU budget.

About \$7,600 was removed from the Club Sports budget for meal subsidies and travel expenses.

Another \$300 came from the Administration's office supplies; the Outdoor Program suffered a \$450 cut in its van expense; and the Cultural Forum incurred

\$2,700 decrease, which will result in a \$900 increase from excess 1981-82 funding.

Prior to approving the budget, however, Sandy Vaughn, Club Sports Director, had requested an additional \$773 for lodging requests. These funds were to come from the surplus in the budget of the Cultural Forum.

"(These cuts) are not something we're comfortable with," she said. "We have extended ourselves to the limit already. So we are petitioning to put back in to lodging what we have sacrificed for food."

**THE LONELINESS
OF THE LONG
DISTANCE
RUNNER**
This brilliant British film is widely con-
sidered to be the best statement on the
topic of alienation ever put on film. The
story concerns a young man who ends up
in a reformatory because he prefers
stealing to working in a local factory. At
the reformatory, he is found to have
exceptional running talent, which the
Warden hopes to exploit to win a coveted
trophy. As he trains for the event, the
young man's life is shown in flashbacks,
and the runner's loneliness merges into
that of alienated youth.
