# Lakers win opening game

40-9 spurt defeats Philadelphia in NBA playoff

**PHILADELPHIA (AP)** — Jamaal Wilkes scored 24 points and led a spectacular second-half rally as Los Angeles beat the Philadelphia 76ers 124-117 Thursday night in the opener of the NBA championship series, giving the Lakers a record nine straight playoff victories this year.

Wilkes scored 16 points in the third quarter as the 76ers wilted under the Lakers' fastbreak attack in the second half although Philadelphia led by as many as 15 points in the third quarter. Los Angeles ultimately outscored Philadelphia 40-9 over a span of about 10½ minutes at the end of third quarter and the beginning of the fourth.

Game two of the best-of-seven National Basket-

ball Association final series will be Sunday afternoon in Philadelphia.

The Lakers' victory actually kept two playoff streaks alive. Los Angeles also now has won seven straight postseason road games, a record high that dates back to the 1980 championship series when the Lakers beat Philadelphia in six games.

The Lakers equalled the overall playoff record of nine straight postseason triumphs. But the Minneapolis Lakers established that mark over two seasons when they won the last postseason game in 1949 and the first eight playoff games in 1950 enroute to the NBA title.

It was the single-season mark of eight that the Lakers surpassed Thursday night.

Norm Nixon also scored 24 points for the Lakers, while Kareem Abdul-Jabbar added 23 to give him 100 20-plus-point games in 105 playoff games during his 13-year career. Michael Cooper scored 17 points for Los Angeles.

Julius Erving led all scorers with 27 points for the 76ers, most of them on dunks or layups. Andrew Toney scored

20 points, Bobby Jones 19 and Darryl Dawkins 16 for the 76ers.

The Lakers, who averaged 118 points per game in two four-game sweeps over Phoenix and San Antonio, fell behind 83-68 in the third period when Jones scored for Philadelphia at the 5:58 mark.

Then the Lakers scored 11 points in a row to start a 23-6 run for the rest of the period, which ended with the Lakers ahead 91-89.

Philadelphia's miseries did not end there, however, as the Lakers poured in 14 of the fourth quarter's first 15 points for a 105-90 lead with 8:45 remaining in the game.

The 40-9 spurt was completed when Cooper hit a free throw with 7:35 left to give the Lakers their largest lead, 108-92.

The closest the 76ers got after that was the final margin of seven as Toney and Steve Mix hit three-point goals in the final seconds.

Philadelphia turned a 13-3 spurt in the last 4½ minutes of the second quarter into a 61-50 halftime lead, its largest margin of the first 24 minutes.

**EUGENE (AP)** — A Lane County circuit judge ruled Thursday that high school athlete Ken McChesney will not be able to compete in this weekend's state Class AAA track championships.

Lane County Circuit Judge Maurice Merten vacated a preliminary injunction issued Tuesday that would have allowed the South Eugene sophomore to compete.

Merten cited both procedural and merit problems with McChesney's case.

McChesney had bettered the state qualifying standard for 3,000 meters in the District 5 meet. He failed, however, to qualify under Oregon School Activities Association rules that limit each school to three athletes in one event. He finished fourth behind three South Eugene teammates.

Circuit Judge George Woodrich had issued the Tuesday injunction. Merten's ruling came at a hearing requested by the OSAA.

Plaintiffs in the case include the McChesney family, South Eugene Coach John Gillespie and members of the school's track team.
