Held together by more than blood
We've gone through:
Fighting, tattling, crying, slugging,
Sharing, smiling, laughing, loving,
We care about each other
When you hurt, so do I
We're growing up, and it's exciting
To venture on forward
To different paths, knowing
That not matter where
We end up, we will
Always be able to
Lean on each other.
I wish you the very
Best and love you
Very much, your
