Whole Earth catalog says . . .

" . . . Among American Heritage's outstanding qualities are 'readability' and the absence of excessive dictionary symbols and abbreviations, excellent typography and inviting format, clear and up-to-date treatment of 155,000 vocabulary . . . , and provision of 4,000 interesting and informative graphics, including many photographs and locator maps of countries. 'The New College Edition' is the best of the unabridged."
