Why does your light keep shining through that window yonder? Sure, I know you've got a lot of reading to do, but we had a date. Maybe you need to find out about Cliffs Notes and how they can help you understand those tough lit assignments and save you a bunch of time. So turn out the light, Juliet, and come out with me... to the bookstore for Cliffs Notes.

Some date you are! I spend the whole night watching you study while everyone else is out having fun. If you had used Cliffs Notes instead, you would have more time for me. They help you understand what you read and they give a great review. Get Cliffs Notes at the bookstore. Wise up! Don't bother calling me tonight. I'll be at the submarine races with Brian.
