

## Every playback is an encore.

Stevie Wonder takes his music home from the studio on TDK. Because he knows that TDK tape records and captures everything he creates...and gives it back to him playback after playback after playback.

TDK's advanced audio cassette technology gives you the full musical spectrum. Take TDK's AD cassettes, for example. AD's are the normal bias cassettes with a brilliant high end, broad dynamic range and low noise levels. They give you outstanding performances at an outstanding value.

All TDK audio cassettes are designed to capture the wonder of

the creative mind. That's why Stevie Wonder wouldn't think of using any other cassette.

Find out for yourself what makes TDK cassettes special. You'll find every playback is an encore...for a lifetime.
