## For Your Favorite Rock All Stars!

Pictured above are the rock stars selected by PLAYBOY readers as the best in their categories in last year's Playboy Music Poll. (How many of them can you identify?) More importantly, can you guess who this year's selections will be?

For a full list of nominees, a mail-in ballot, and a chance to make your vote count in this year's poll, check out the November issue of PLAYBOY at newsstands now. Also in this issue: Should College Athletics Be Abolished?, a far-out interview with Frank and Moon Unit Zappa, the beautiful ex-stews of Braniff, plus lots more. Don't miss November PLAYBOY.
