Where's Zonker?

Many Emerald readers have noticed that Doonesbury has not appeared this week. We have not suspended publication of Doonesbury — in fact we are as annoyed about it as you are. It seems there was a mix-up at the Syndicate — not the real Syndicate — Universal Press Syndicate. They say they mailed us Doonesbury strips as early as Saturday, Sept. 18. We hope the U.S. Postal Service gets Doonesbury to us before January when it all becomes moot.
