BEFORE YOU ENROLL IN THE \$495 COMMERCIAL SPEED READING COURSE NOW BEING OFFERED IN EUGENE, CONSIDER THE UNIVERSITY'S OWN COURSE.

Although we don't claim or imply that you'll be able to read eight chapters of Babylonian History in an hour or that you'll have a good-looking date waiting for you to finish,

WE DO OFFER SOME SIGNIFICANT ADVANTAGES:

- Classes are held on campus during day and evening hours.
- Emphasis is on the application of Speed Reading Techniques to academic material.
- The University's course is taught with an awareness of the demands and purpose of academic reading, and it stresses the skill of critical reading, questioning, notetaking, and concentration needed for academic success.
- A \$30 fee covers instruction and materials.
- Classes begin in 2 weeks and finish 3 weeks before finals.

6,000 WAYS WE HELP STUDENTS GO TO COLLEGE.

Army ROTC has more than 6,000 three- and two-year scholarships in effect at any given time. And, each year hundreds are available for which your students can compete.

Scholarships cover tuition, books, and lab fees, and pay students a living allowance of up to \$1,000 for each academic year the scholarships are in effect.

Our four-year scholarships may be used at 270 colleges and universities across the country. Three- and two-year scholarships may be used at more than 3,000 additional institutions. Schools where students can earn both a commission and a college degree.

So if you'd like to see more of your students headed for college, show them the way. Army ROTC.
