

# Cops nab Koo's shower scene

**WAKEFIELD, England (AP)** — Vice police seized a film starring Prince Andrew's American girl friend, Koo Stark, in this Yorkshire city in northern England Wednesday.

A video cassette of "Emily," featuring 25-year-old Miss Stark in a nude lesbian shower scene, was taken from a shop renting video movies, a police spokesman said.

The film, made eight years ago, was put back in

circulation when Miss Stark accompanied Prince Andrew, Queen Elizabeth II's second son, on a Caribbean holiday earlier this month.

An excerpt showing the actress unbuttoning her dress and asking a man to make love to her was shown on a British Broadcasting Corp. TV newscast.

The British press has reported that the Prince has given up on his infamous girlfriend after the news broke about Koo's former film roles.
