

PERSONAL ADVICE ON PERSONAL COMPUTERS THE BIG APPLE

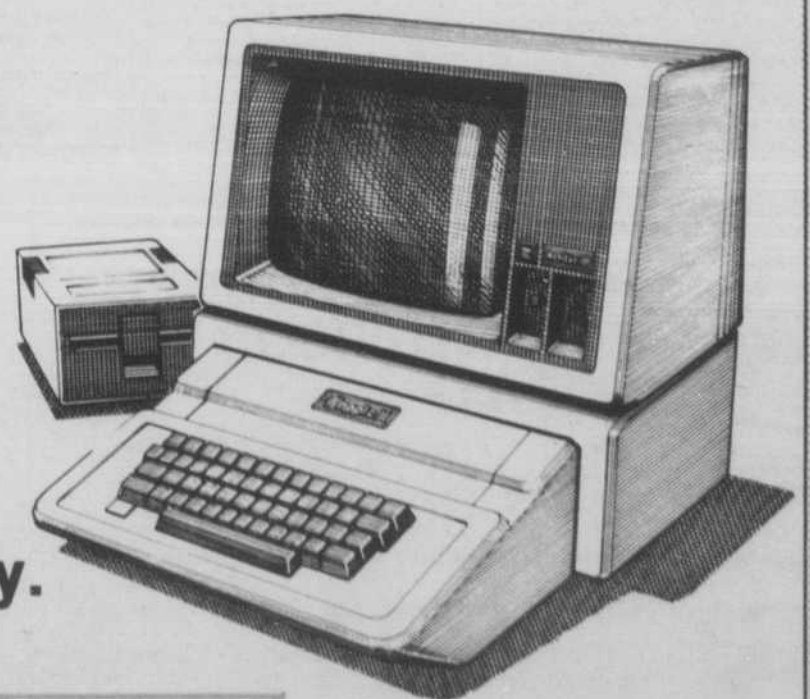

As your local full support Apple Dealer, we can answer your questions about personal computers. Students, Professors, people involved in education and business of all kinds just like you, are using personal computers to do

their jobs faster, easier, more efficiently and more economically. When they buy personal computers, they buy Apple. Whether your needs are writing, editing, organizing, computing, learning or just having fun, Apple has it all!

Come in to our store and we'll personally show you why.
