ANNUAL FUND TELEFUND RESULTS

The first Annual Fund Telefund designed to call alumni across the United States was a tremendous success. Alumni, faculty, staff, parents and student volunteers raised a total of \$45,171 from 2,374 alumni pledges.

The key to this year's successful telefund was the 368 volunteers who gave their time to assist with this effort. Five of the evenings were staffed with alumni, faculty, staff and parents. Eighteen of the calling nights were staffed with volunteers from thirty student organizations on campus.

The student organizations were competing for cash prizes of \$100, \$75 and \$50 for the most pledges received in one night. Some groups worked together during an evening in hopes of coming up with the most pledges and splitting the prize. The results were:

No. Pledges	Student Organization	No. Pledges	Student Organization
168	Delta Delta Delta	90	Public Relations Student Society of America / Society of Professional Journalists / Women in Communication
162	Alpha Phi Omega / Circle K Club	90	Inter-Varsity Christian Fellowship
145	Mortar Board / Druids	81	Alpha Omicron Pi
123	SURC	80	ASUO / Sigma Nu
122	New Student Host Program	70	Alpha Lambda Delta / Phi Eta Sigma
116	SEARCH / Journalism Peer Advisors / GALA	69	ASUO
109	Phi Delta Theta / Delta Gamma	38	Advertising Club
107	IFC / Panhellenic / Greek Activities Council	36	Black Student Union
99	Kappa Kappa Gamma		
91	Phi Kappa Psi / Alpha Chi Omega		

As the above figures indicate, Delta Delta Delta won first place with 168 pledges. Alpha Phi Omega and Circle K Club will split the second place prize with 162 pledges. And, Mortar Board and Druids won third place with 145 pledges. Congratulations for a job well done.

Special thanks go to Mr. Walter N. McLaughlin, Director of Business Affairs, and his staff for allowing us to use the first floor of Oregon Hall to make our calls. Your patience and willingness to help with this program was most appreciated.

I also want to thank the College of Human Development and Performance, the Athletic Department and the Department of Military Science for helping recruit volunteers from their departments. Your extra effort really paid off.

Sincerely,

Joseph A. Farmer
